

NOTICE TO STUDENTS AND STAFF

15 July 2020

Dear Students and Staff

UPDATE: COVID-19 CASES AND RESUMPTION OF OPERATIONS

We have unfortunately become aware of new COVID-19 cases at the Central Office and Ellispark Campus. The necessary measures have been put in place. Tracking and tracing has been completed. The Human Resource Department has advised affected individuals to self-isolate and take the necessary medical precautions. As is part of protocol, disinfection has been completed at the Central Office. Special arrangements are being made for disinfection of the affected areas at Ellispark Campus to commence tomorrow morning at 05h00. This process will be concluded by 06h30.

Given the staff members affected and in self-isolation at the Ellispark Campus, we have appointed Mr Themba Vilakazi as the Acting Campus Manager for the Campus. All staff members at Ellispark Campus are implored to provide the required support to Mr Vilakazi during this time.

We have also noted circulating messages on social media regarding the Riverlea Campus, purported to be those of college staff members. These are unfortunate. We wish to reiterate the following COVID-19 measures adopted by CJC:

1. In all instances of positively confirmed COVID-19 cases, tracking and tracing will be undertaken. Those affected will be directly advised to undertake self-isolation as well as the necessary medical precautions consistent with the DOH and Higher Health guidelines.
2. Disinfection of risk areas identified in the tracking and tracing will immediately be undertaken.
3. Areas affected will be cordoned-off until disinfection is completed and those areas certified safe.

We can confirm that the Riverlea Campus COVID-19 case was reported on the 10th July 2020 and the necessary measures were undertaken. Disinfection for all the affected areas at the campus was conducted on the 11th July 2020. All affected individuals and students were notified and advised to isolate and take the necessary medial precautions.

We continue to monitor and provide support to affected individuals.

Once more, you are urged to continue complying with the DOH and Higher Health COVID-19 protocols at all times. Please ensure that you download the Higher Health application for your daily self-screening and ease of access into the campus. For all COVID-19 inquiries, email: Covid-19reports@cjc.edu.za

All operations and academic activities will continue as normal.

We wish all affected students and staff a speedy recovery and return to the College

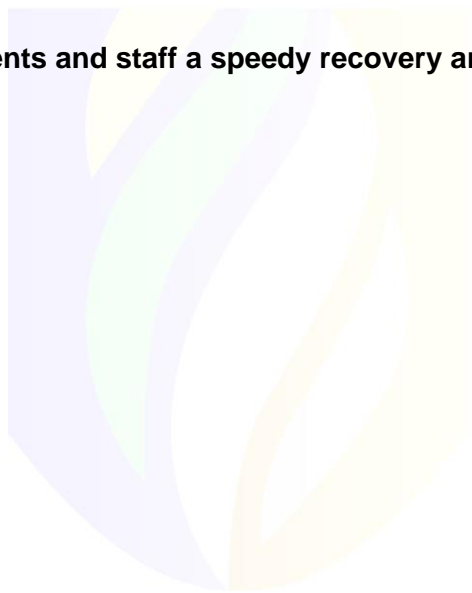

Stay Safe
