Re : NSFAS MANUAL APPLICATIONS 2019/2020

Dear Students,

All students who have manually applied for NSFAS in **2019 and 2020** are called to confirm and verify their applications at the SSS offices in their respective campuses. Please check your name on the NSFAS funded list of the mentioned period from the SSS Officers. Should your name not appear on the list, kindly submit your ID number to the SSS Officer so that NSFAS can trace your application and advise accordingly. This is done in order to verify application and certification discrepancies, as well as other related complaints. Closing date: 11 May 2021 at 16h00.

Stay safe.

CJC STUDENT FINANCIAL AID.
